Riverside Summer Camp 2018

we Believe in Summer!

It's never too early to start planning for summer. **Riverside Summer Camp 2018** is right around the corner! We invite your child to join our thematic summer programs, just for Dwight preschool students. Preschool students can choose among a two-week, three-week, or five-week camp based on their “spark” and personal preference. Our camps balance children’s needs for creative outlets and physical activity with outdoor time and science. Camp runs from **June 18-July 26**, from 8:30 am-12:30 pm.

Igniting the Spark of Genius in Every Camper

Riverside Summer Camp Programs embrace the same philosophy as Dwight School, which customizes the experience for each student based on individual interests and passions. We call this igniting the “spark of genius” in every child. Through a wide range of age-appropriate programs — including our specialty “spark” camps — children can explore, discover what they enjoy doing, and pursue that passion while also making friends and having fun.

Dwight is committed to developing the whole child — mind and body — and we believe that camp provides a crucial opportunity for kids to focus on activities they can't get to in the classroom.

Small Wonder Summer Program 2018: June 18 - July 26*, Ages 1-2.5

Our Small Wonder Summer classes include art, music, gym activities, story time, and so much more! Space is limited and enrollment is on a first-come, first-served basis.

During the summer session, we will be offering morning classes for children ages 1-2.5 to attend with a parent or caregiver.

If you have any questions or would like more information about the program, please email Nora Thomson, Director of Preschool Admissions, at nthomson@dwright.edu.

**Camp closed 4th of July week*
