

Dear Parents,

On behalf of the Dwight School Parents Association (PA), it is our pleasure to welcome you and your family to Dwight. As we are sure you noticed during your school visits, the Dwight community is vibrant, diverse, and filled with interesting and talented students, parents, and teachers. Our students and faculty hail from around the globe and bring to school each day an array of perspectives and experiences that foster tolerance, civic engagement, and global-mindedness.

The PA's mission is to enrich the learning experience of our children and to encourage and facilitate communication between and among parents, teachers, and students. We work closely with the faculty and administration to support the School's educational objectives and help ignite the "spark of genius" in every child. The PA organizes events throughout the year that both further our mission and provide a warm venue for parents to volunteer and have fun. PA participation is a wonderful opportunity to meet other parents and get involved in the life of the school. Please keep an eye out this summer for an email describing our volunteer opportunities and providing a sign-up link. We welcome and need your participation, and assure you that it is a worthwhile endeavor that you will find personally rewarding and fun.

You may have been, or will be contacted in the next few weeks by your "Ambassador," a current family who was paired specifically with your family and is available during the summer and throughout the school year to answer any questions you might have and to help make your transition to Dwight as seamless as possible. In the meantime, please feel free to contact us with any questions or to just introduce yourself and say hello.

Again, welcome to Dwight! We look forward to getting to know you and your family.

Warmest regards,
Sandrine Droumenq, PA President
2016-17 Grade 8 parent
